Q9: For summer 2022, the Mt Mac courts will be resurfaced, touchless entry will be installed at the front gates, and a security camera. What is a change you would like to see at the Mt Mac courts in the future?

1. A way for people to pay to play without a season's pass, like my partner who would play once or twice a season.
2. Some more protection against winds and maybe concrete walls for practice.
3. A possibility for non pass holder to pay to play (5 punch pass?)
4. 1. larger walls for hitting against the wall, 2. in porto potty's a separate urinal for males (all within same porto potty), 3. Sunday morning drop-in doubles
5. I consider the courts use OK, so no changes required from me.
6. Better wind breaks. Individual concrete practice wall away from courts.
7. Can't think of any.
8. Indoor courts.
9. Cheaper, more accessible to all, grow the game by making it free, or substantially cheaper.
10. bilingual notices ;)
11. Drop in fee. None of my friends want to buy a pass but would come and play if there was a drop in fee.
12. Accessible side and back gates to get balls that go over the fence and shaded seating area/benches.
13. covered so we can play all year.
14. The outhouse/Portalet drained weekly would be nice.
15. An indoor court.
16. n/a
