The Northern Cup 2025 tournament was a blast!!!

We had 12 players from Juneau and 2 players from the NWT come to compete against our Whitehorse team. We had 16 players from Whitehorse.

Juneau came out on top with a **57%** win rate!

Thank you to all the players for braving the Yukon heat and playing your hearts out.

Thank you to our sponsors Lotteries Yukon, Firebean Coffee, Make It Happen, and YukonTech Consulting! Thank you for your support!

And a final thanks to our volunteers! Without you, this wouldn't have happened.
